SAMUEL KENNAN.

Samuel Kennan died of typhoid fever yesterday morning at his home at Orangeburg, after an illness of five weeks.

He was 22 years of age and the son of Mr. Frank Kennan.

The funeral took place at 10 o'clock this morning, the interment being in Mt. Olivet Cemetery.

LILLIAN ELIZABETH RUDY.

Mrs. Lillian Elizabeth Rudy, wife of Mr. William Rudy, died yesterday morning between 5 and 6 o'clock at her home in Clifton, aged 25 years, after a short illness.

She deceased was a daughter of Mr. and Mrs. Anthony Schweizer of Vanceburg, where she married her husband some five years ago.

Her death was a pathetic death, being called from earth to heaven in almost the twinkling of an eye.

At the time of her death she was the picture of perfect health and in the full bloom of young wifehood with a happy life before her.

Mother and babe will be buried in the same coffin.

She was a devout and consistent member of the Christian Church.

She leaves a husband and a four-year-old daughter, who have the sympathy of the community in their irreparable loss and affliction.

The funeral will occur tomorrow morning at 9 o'clock, sun time, from the residence, with services by Rev. Harry Schaefer of the Bible College, Lexington.

Interment in Maysville Cemetery.

He was a son of Judge Lewis Collins and a brother of Richard H. Collins, the Kentucky historian.

### They Appeal to Our Sympathies.

The bilious and dyspeptic are constant sufferers and appeal to our sympathies. There is not one of them, however, who may not be brought back to health and happiness by the use of Chamberlain's Stomach and Liver Tablets. These Tablets invigorate the stomach and liver and strengthen the digestion. They also regulate the bowels. For sale by all Druggists.

Mr. Edward L. Hill of Clifton, who has been seriously ill for a month past, was able to sit up for a short time yesterday.

All Church and Sunday-school workers of the various denominations are invited to meet at the Christian Church tomorrow afternoon at 2 o'clock.

## SOCIAL EVENTS

Charleston (W. Va.) Daily Mail.

A launch party was given last night to Lock Six, where a tempting supper was served by moonlight. Those in the party were: Mr. and Mrs. H. J. DeWitt, Misses Anna Klipp of Maysville, Ky., Bertha Fruth and Anna Wehrle; Messrs. John Walsh, Julian Spencer and Charles B. Daum.

Mrs. H. G. Speth, Miss Ethel Speth and Miss Nana Duke Forman of Dayton, Miss Jewel Taylor and Miss Myrtle Christian of Chicago and Mrs. H. L. Walsh and daughter, Elizabeth, composed a house party that is being entertained this week at the home of Mrs. Thomas H. Lashbrook of the county.

The Misses Clifford of the younger set entertained last evening in honor of their guests, the Misses Brown of Lexington. The pleasant home in East Fifth street presented a beautiful appearance, with the pretty young rosebuds, like butterflies flying hither and yon.

## WANT TO BE SAFE

Health Authorities Looking After Boats From the South

There is considerable agitation just now over the towboats J. B. Finley and Sprague, en route to Pittsburgh and fresh from the yellow fever districts.

The cities and towns below here are taking every precautionary measure.

At Cincinnati drastic measures will be taken if the boats attempt a landing.

While the owners of the boats assure the public that they are perfectly free from even the suspicion of yellow fever, it will be remembered that the same thing was said by the officers of a towboat that passed here about thirty years ago en route to Pittsburgh.

The boat made a landing a short distance above Aberdeen and it was not 'two weeks' before quite a number of the best people of the town were taken off by the disease—several of Shelby Campbell's family dying.

While it is not necessary to become unduly excited, yet it behooves the Mayor and Health Committee to be on the alert and see to it that these boats direct from the infected districts be prevented from landing here.

An ounce of prevention is worth a pound of cure.

## ANNUAL CONVENTION

Of Christian Churches of Kentucky to Be Held in This City

The annual Convention of the Christian Churches of Kentucky will be held in this city September 25th to 28th, at which time it is expected there will be between 400 and 600 delegates present.

It has been twenty years since Maysville entertained this Convention before, and over since there has been a desire on the part of the delegates to come again—on account of the royal entertainment and hospitality bestowed at that time. The Convention has been invited and Maysville wants to sustain her reputation.

The Committee on "Homes" has begun an active canvass of the city in their efforts to secure homes for all who will attend. They will call on you sometime during the next week and it is hoped that every one will be ready and glad to receive them. Every one who can, even at a little sacrifice, should be anxious to do his or her part in the entertainment of such a representative body of men and women as this Convention will bring together. Arrangements have been made whereby dinner will be served at the Church all three days. Let us all open our homes and give these delegates a royal welcome.

There is more Catarrh in this section of the country than all other diseases put together, and until the last few years was supposed to be incurable. For a great many years doctors pronounced it a local disease and prescribed local remedies, and by constantly failing to cure with local treatment, pronounced it incurable. Science has proven Catarrh to be a constitutional disease and therefore requires constitutional treatment. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, O., is the only constitutional cure on the market. It is taken internally in doses from 10 drops to a teaspoonful. It acts directly on the blood and mucous surfaces of the system. They offer one hundred dollars for any case it fails to cure. Send for circulars and testimonials. Address, F. J. But the Germantown Fair more or less develops a demand for young men's outfits. Well, boys, we are ready for you. All novelties in Young Men's Suits are represented in our house. It will afford us pleasure to have you come in and look them over.

Just a word about the Germantown Fair: The writer of this has been a visitor to this historic place for nearly half a century, and were he asked where in Kentucky he spent the most pleasant outing, where he met as grand men and women as live on the globe, (many of them have long since passed to the beyond,) and where he was most gloriously entertained by Kentucky's world renowned hospitality, the answer would be at the Germantown Fairgrounds.

ONE of the things that Colonel WITTE has given the Japanese is a railroad which cost the Russians \$200,000,000. This of itself is a pretty fair price to pay for being licked.

It is reported that the President has pledged the Administration to Federal control of insurance companies. If this be true, it is hoped there will be delay in looking after the fire insurance rates in Maysville.

It has been remarked by a local Prophet that there will be some new faces in the next City Council. What is most needed are new ideas and new policies. Without these, the old faces will do just as well as new ones.

Just as though poor old Louisville hadn't enough trouble already, with her red-light-all-night-get-tight-bloody-fight district and her political policemen, the dreadful news is sent out that a gang of stegomyia fasciata has invaded that city. For gracious sake, call out the Latin class of the Female High School and turn the hose on 'em!

THE latest phase of "revenge" was an attempt to wreck a fast passenger train on the Big Four at Weisburg, Ind., by a gang of Greek laborers because the Paymaster failed to arrive just when they wanted their money. These brutes should be paid off in hemp.

In spite of Ohio's rigid Pure Food Law, the crop of rascals thrives. At Cincinnati seventeen warrants have been issued for dairymen who put even worse things than Ohio river water in their milk, and for grocery men who do not use "clean, sharp sand" in their sugar.

TEN years ago the Russians looked down upon the American Navy. If a single American battleship of the Maine class could not lick a whole Black Sea fleet at the present time, its own crew would probably be the first to regard it as a burning disgrace to Uncle Sam's Navy.

In the course of an able address before the National Editorial Association at Guthrie, Oklahoma, President W. W. SCREWS of Montgomery, Ala., had this to say in regard to calls upon the craft—

IMPOSITION IN THE NAME OF CHARITY.  
"Possibly there is no man here who does not give, in space value, to every entertainment in his community, gotten up in the name of charity, five times more than any other individual, and then publish a card of thanks in which profuse expressions of gratitude abound for all, save and except the man who is the most deserving of them all. A little business along this line would not be inappropriate; indeed, you are no more called on to give up your space for nothing than others who receive pay for what they furnish. Charge your regular rates, and donate to the cause as much as your inclination prompts you."

The daily list of new cases of yellow fever at New Orleans shows a tendency to rise slowly. In addition, infection appears to be spreading outside the city. A hundred cases of fever were reported from Leeville, a settlement in Lafourche parish. A number of these were diagnosed as yellow fever, and it is probable that all of them are. Four new cases are reported at Mississippi City. A number of other points report cases. The small death rate, however, is considered a very encouraging sign.

One of the greatest helps to comfort in warm weather is a good toilet powder. Perspiration causes the skin to become tender and sore, and a soothing, healing powder dusted on will relieve the prickling and burning sensation.

It is said that the Queen City will be entered in the Memphis and Vicksburg trade in September and run there until next spring in place of the Delta, or until the new steel hull boat, to be built by the Rees Company, is completed.

The big towboat Sprague, tied up at Jeffersonville, where her machinery had been partially dismantled preparatory to repair, was ordered by the town authorities to move on or the entire crew would be sent to the pesthouse and the steamer fumigated. The money sent by former citizens of Austria-Hungary, who have emigrated to the United States, to their relatives at home amounted to between \$40,000,000 and \$45,000,000 during the year 1904.  
Twelve men were killed and six injured at the quarry of the Lehigh Portland Cement Company at Ormrod, near Allentown, Pa., by the sliding of a mass of rock weighing thousands of tons from the side of the excavation.  
Antagonistic views on the subject of Chinese exclusion seems likely to cause dissension in the Transmississippi Congress, which met Monday in Portland. The Oregon and Washington delegates to the congress oppose any relaxation in the severity of the exclusion laws.

An excursion train, carrying Negroes, plunged through an open drawbridge near Norfolk, Va., and it is believed that fifty persons were drowned. Two white men, promoters of the excursion, were among the victims.  
The coroner's verdict in connection with the Lake Shore wreck at Mentor, O., June 23d, in which nineteen lives were lost, holds that Walter F. Minor, the telegraph operator at Mentor, opened the fatal switch, but whether of his own volition or under orders has not been ascertained.  
The fact that the number of deaths daily reported at New Orleans has not risen is considered an important sign, indicating improvement in the yellow fever situation. Dr. White of the Marine Hospital service, who is in charge of the campaign against the epidemic, considers the outlook bright.

## CAPTAIN DAVID A. MURPHY

Superintendent of Construction  
U. S. Public Buildings

He is Indorsed and Recommended  
by Citizens of Seventeen  
States

Captain David A. Murphy, one of General U. S. Grant's old Army Veterans, was connected with building operations in Cincinnati for seventeen years, and has been Superintendent of Construction of United States Public Buildings for eight years, and he has therefore acquired an extensive knowledge of the building business in all its branches.

Twenty-five years in the building business—fifteen years a newspaper Editor—a rare combination for a man of affairs! Captain Murphy is a man of high culture and undoubted integrity.

Captain Murphy, we believe, is the best recommended public officer now in the service of the Government. His letters and credentials are on file in several Departments at Washington, D. C., and they include the following array of influential persons, to wit:

1 Foreign Minister, 2 former Presidents, Grant and McKinley; 3 Speakers of the House of Representatives, Keifer, Henderson and Cannon; 3 United States District Court Judges, 4 State Governors, 5 Bishops of the M. E. Church, 6 College Presidents, 7 Attorneys-at-Law, 7 Supervising Architects and Assistants, 7 Presidents of Corporations, 8 Bank Presidents, 9 Cincinnati Architects, 10 United States Senators, 12 members of the House of Representatives, 20 Clergymen, 24 Cincinnati Capitalists and Builders, and over 700 good citizens, North and South. We have read many of his letters, and therefore speak advisedly.

Captain Murphy's splendid record, as well as his letters, fully attest that he is a competent,

practical and highly efficient Building Superintendent." Mr. Samuel Hannaford, the great Architect of Cincinnati and the Chief Editor of "The Western Architect and Builder" of Cincinnati, states in a letter that "Captain Murphy is fully competent to superintend the construction of any Public Building."

President McKinley three times indorsed Captain Murphy for appointment as Superintendent of Construction of United States Public Buildings.

Captain Murphy has fortunately made friends at every post of duty in the Southern States, and has received high honors and many tokens of esteem from the Southern people. He has been called "General U. S. Grant No. 2" many times on account of his personal courtesy and soldierly bearing. Captain Murphy is a battle-scarred Veteran of the Civil War, and fully merits the preference shown to competent soldiers in the service of the Government.

Prof. Roentgen, whose fame as the discoverer of the X-ray is world-wide, also possesses the distinction of being perhaps the most modest great man in the world. Recently an international congress was held in Berlin to celebrate the tenth anniversary of his valuable discovery, and many eminent men attended it. Prof. Roentgen had promised to be present, but at the last moment he decided that he could not face the crowd gathered to glorify his work, and so he telegraphed his regrets.

## A Warning to Mothers.

Too much care cannot be used with small children during the hot weather of the summer months to guard against bowel troubles. As a rule it is only necessary to give the child a dose of castor oil to correct any disorder of the bowels. Do not use any substitute, but give the old-fashioned castor oil, and see that it is fresh, as rancid oil nauseates and has a tendency to grip. If this does not check the bowels, give Chamberlain's Colic, Cholera and Diarrhoea Remedy and then a dose of castor oil, and the disease may be checked in its incipency and all danger avoided. The castor oil and this remedy should be procured at once and kept ready for instant use as soon as the first indication of any bowel trouble appears. This is the most successful treatment known and may be relied upon with implicit confidence, even in cases of cholera infantum. For sale by all druggists.

### FEARIS.

Reunion is over; now the fairs.  
The weather is rather damp in this neck of the woods yet.  
After the campmeetings, reunions and fairs, wonder what next?  
Some people here are laying in their winter coal from Springdale.  
It's nip and tuck which is growing the faster, the weeds, grass, corn or tobacco.  
The G. A. R. Reunion was a success patriotically and good attendance, the rain to the contrary.  
Heard some one say the Petersville Reunion comes off August 31 and September 1 and 2. Where is Petersville, anyhow?  
Miss Flora Cole and Inez Fearis attended a young folks social at the residence of their cousin, Mrs. Bertha Bonhio, near Trinity, Monday night.

Rev. H. E. Roseberry was to attend both days and make a lecture on political Theology. We are very sorry the rain kept him and several other good speakers away.

There was plenty of music at the reunion, vocal, patriotic, drum—fire and cannon. The G. A. R. boys were praised for the fine decorations of tabernacle and rostrum.

S. S. Williams and Paul Gattise of Burtonville attended the reunion both days and showed their patriotism by their works. Ditto Colonels S. G. Hillis and J. S. Mavity of Vanceburg.

Colonel Tom, you missed a good chance to make a patriotic speech with the trimmings in, because you failed to attend the reunion. Elder Tom Degman had the subject—"Man's Inhumanity to Man," all to himself.

There were many strangers from a distance attended the reunion, Wm. Penrod and wife of Ind.—Mrs. Jewett and two children of Suburbontown of Cincinnati, Matt A. Thompson of Newport and others we failed to get their names.

The ex-prisoners of war have Departments and National associations. There are nine ex-prisoners in Croxton Post No. 9. They held some kind of reunion. The Tenth Kentucky Cavalry and the Fourth Kentucky Infantry failed to meet by reason of the rain.

## WILL YOU HELP?

### A Worthy Young Lad Wants to Buy an Artificial Limb

Master John D. Recraft, a sprightly lad of Aberdeen, lost his right leg by bloodpoison some time ago, and is now trying to secure enough money to buy an artificial one.

He is a manly little fellow, worthy of assistance, and his appeal should meet hearty response. A trifle from each will accomplish the result.

Donations may be left at The Ledger Office, and all sums, however small, will be gratefully accepted.

To date these amounts have been received—

## TO THE OLD LEAF STICK.

BY JOHN FRANCIS COFFEY.

"Overtune thou the old leaf,"  
Not, indeed, for bard or chief,  
Good enough yet the old page,  
Written not, in truth, by sage,  
Full share it bears of dark blots,  
And here and there dim tear spots,  
But, such as it is, it is mine;  
And never can, O friend, be thine.  
Through its long and darksome lines  
Cherish'd trace in beauty shines,  
Of deeds that never sadden,  
But always deeply gladden.  
Heart of dower and done unto,  
Faults and failures before you,  
Talk openly, and to me  
Speak, indeed, appealingly.  
But, turn down the leaf,  
Writ and blotted out in grief,  
I never shall. Hyl it stand  
Will I ever, and demand  
On dear page and faulty pen  
The kind thought of fellowmen.

### HIGHEST PRAISE

Some Maysville Citizens Grow Enthusiastic on the Subject.

The praise of the public is merit's just reward.

Nothing in modern times has received the praise accorded "The Little Conqueror."

Of some kinds of praise we are skeptical. We doubt the praise of strangers.

The highest praise for Maysville public is hearty expression from Maysville people.

Doan's Kidney Pills are endorsed in Maysville.

No hotter proof of merit can be had.

Here's a case of it. We have plenty more like it.

James D. Tolle, clerk at Wood & Bros. meat market, and living at 117 Short St., Maysville, Ky., says:

"I was troubled a great deal for some time with constant heavy pain in the small of my back and over the kidneys. At times it was so bad that I could not stoop to sit down or get up without much difficulty. The action of the kidneys was noticeably weakened and passages of the secretions were too frequent, and there was a scalding burning sensation at times.

Hearing of Doan's Kidney Pills I began using them and finding great benefit, continued the treatment until I had taken one or two boxes more and was thoroughly cured of all my troubles. I have never had the least bit of suffering from my back or kidneys since. I give all the credit to Doan's Kidney Pills and feel justified in strongly recommending them to others."

Plenty more proof like this from Maysville people. Call at J. James Wood & Son's Drugstore and ask what their customers report.

For sale by all dealers. Price 50 cents a box. Foster-Milburn Co., Buffalo, N. Y., sole agents for the United States.

Remember the name—Doan's—and take no substitute.
